Ready to meet the needs of households seeking a new construction home that's both inviting and adaptable is the Onyx. These stylish and spacious 2-story offers 2,508 square feet of well-designed living space with 4 bedrooms and 2-1/2 baths. As you enter, you are welcomed by a bright foyer that leads to an open concept entertainment space featuring the great room which is open to the kitchen and café room perfect for spending time together or entertaining guests. The spacious kitchen features a walk-in pantry plus an abundance of cabinetry and counter space. Island option with snack bar is available plus cabinet, counter tops and flooring can be selected depending on the time of construction when home is purchased. Adjacent to the kitchen, you'll find a sun filled café room great space for dining or a cozy spot for morning coffee. The first floor also includes a 4th bedroom with a walk-in closet plus half bath. The mud room is conveniently located near the garage entry. Moving upstairs, the primary suite features a restful bedroom, walk-in closet and private bath. The second floor also includes my favorite the loft...ideal for a game room, theater, or play area. Two additional bedrooms and a shared full bath complete the second floor, providing plenty of space for everyone in the household. For added convenience, the laundry room is located on the second floor, along with multiple linen closets for storage. The two-car garage offers ample parking. Full lookout basement with plumbing rough provides endless possibilities for added living or storage space, rounding out the home's practicality. Every detail in the Onyx was crafted with your needs in mind. Discover why this thoughtfully designed home is the ideal choice for your next residence. Hurry this is one of two homes left in this desirable neighborhood!
