

7582 Williams Street Creekwood Crossing, Merrillville

7582 Williams Street

\$452,495

An inviting open-concept layout makes everyday living and entertaining effortless in the Carlisle at Creekwood Crossing. This gorgeous 3,084-square-foot home features 4 bedrooms and 3 baths. At its heart is the thoughtfully designed kitchen, boasting abundant storage and counter space with a 9-foot deluxe gourmet island with wainscot trim and an extended top. A culinary delight, the kitchen flows into the breakfast area—where the adjacent sunroom brings in natural light and offers a perfect spot for relaxing. The neighboring great room is the perfect setting for everyday living or group celebrations. Need privacy for working remotely or a place for studying? Find that in the den where double doors can shut out the activity of the main floor. A generous-sized laundry room/mudroom off the attached 2-car garage offers a drop zone to help keep your home organized and tidy. Nine-foot first-floor ceilings and craftsman-style stair railings are a few of the luxury touches. Upstairs, the loft offers endless possibilities—it can serve as a gaming station, a reading nook or a play area. The second floor also features three auxiliary bedrooms and a hall bath. The primary suite is a highlight, complete with two walk-in closets and a private bath with double bowl vanity and freestanding tub plus separate shower for comfort and privacy. A lookout basement with rough-in plumbing for a future bath is ready for your finishing touches. Experience the perfect blend of modern design and practical living in the Carlisle. Estimated delivery this winter.
